## Soliciting Funds from or by Students

1324

Fund raising activities may be approved by the Superintendent of Schools consistent with the following guidelines:

1. Fund raising is in connection with school-sponsored projects. Requests for approval of fund-raisers shall be made and approved, in writing, on the form provided by the Superintendent's office.
2. There are sufficient educational or financial benefits which will accrue to the school and/or students, either directly or indirectly, from the activity.
3. The mechanics or procedures of fund-raising will neither be an unacceptable burden to teachers or other school staff members nor subject the school to inappropriate risks or responsibilities in handling funds.
4. Door to door selling or canvassing by students is not permitted.
5. Multiple major fund-raising events are discouraged. The number of fund-raising events must be kept in perspective.
6. Other instances approved by the Superintendent.
