Budget Development

3115

The Superintendent of Schools shall direct the preparation of the annual budget. The budget shall be comprehensive and shall reflect the financial needs of the school system. Procedures for budget input shall be developed by the Superintendent of Schools and implemented by the Superintendent's office.

The Board of Education shall review the Superintendent's proposed budget at one or more budget meetings and make changes as the majority of the Board may desire.

All Board of Education budget meetings are public meetings. The public is encouraged to attend.
